

Crawford County
TOBACCO FREE
PLAYGROUNDS

Hello!

We are the Crawford Health Improvement Committee, also called CHIC.

Smoking rates in Crawford County:

- 40.7% of Crawford County residents smoke
- 43.8% of Crawford County women smoked during pregnancy
- 20% of MI residents smoke

Michigan Behavioral Risk Factor Surveillance System 2014

Since the 1964 Surgeon General's Report, 2.5 million adults who were non-smokers died because of secondhand smoke.
